Local Assistant to the Fire Commissioner

Re: Fire Reporting Remuneration Forms

Each year, all LAFC's are eligible to receive reimbursement for all fire reports that are completed. Please finalize your pending reports to receive the maximum reporting dollars.

Section 12 of the *Fire Services Act* states, "For each fire investigated and reported by a local assistant to the satisfaction of the Fire Commissioner, the Local Assistant must be paid out of the consolidated revenue fund the sum prescribed by the Lieutenant Governor in Council and his or her necessary expenses in obtaining required information."

Attached is a blank remuneration form to report your fire report accounts for the year 2017. To facilitate our fiscal year budget cut-off date, please submit the completed form and return no later than **March 9th, 2018**. Please note that submissions received after this date may not be processed.

Forms can be submitted by:
