Dear Mr. Vandale:

Re: Order on Approval 2005225 on the Fraser River

For reasons set out in the enclosed order, the Ministry of Environment, Water Stewardship Division has deemed it appropriate to amend the above approval under Section 18 (1) of the *Water Act*.

This new documentation should be attached to your copy of Approval 2005225.

You are advised to obtain authorization under Section 35.2 of the Federal Fisheries Act from Fisheries and Oceans Canada as per clause (q) of the Approval 2005225.

You are advised to notify the Integrated Land Management Bureau (ILMB) that you are excavating and removing an extra quantity of gravel authorized under the Order dated January 11th, 2008 as well as obtain permission from ILMB for the gravel removal, if required, and pay royalty, if required, by ILMB.

Yours truly,

Julia Berardinucci
