Accompanying documents to the procedure such as policy, forms, annexes, etc.

- 2.10 Class 'D' Helicopter Rescue Policy
- 2.11 Search and Rescue Helicopter Usage Policy
- 2.11 Annex
- 2.12 Annex
- Ground Search and Rescue Group Additional Capability Application

2.10.2 PROCEDURES

- (1) Once the conditions and responsibilities outlined in Policy 2.10.4 have been met and Class D Helicopter Rescue authorization has been received; and
- (2) If both Class D Fixed line and Class D Hoist are available, then:
 - (a) the safest method for the responders will be used; or
 - (b) if equally safe, the most expedient method will be used; or
 - (c) if equally safe and equally expedient, the most economical method will be used.
