

CONSENT TO ENTER PRIVATE DWELLING

Pursuant to: Section 10 of the Fire Safety Act.

Inspection powers

- 10 (1) For the purposes of conducting a fire safety inspection, a fire inspector may at any reasonable time enter onto or into premises.
(2) The authority under subsection (1) must not be used to enter a private dwelling without the consent of the occupier, except under the authority of a warrant under section 32 [warrant to enter].
(3) A fire inspector who enters onto or into premises under this section may do any or all of the following:
a) inspect, analyze, measure, sample or test anything;
b) use or operate anything or require the use or operation of anything, under conditions specified by the inspector;
c) take away samples;
d) remove a record from the premises;
e) make a record of the premises or of anything on or in the premises.
