

IF YOU'RE IN THE SKY...

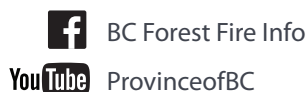

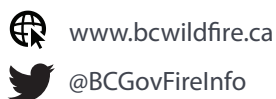

WE CAN'T FLY.

When you fly a UAV or drone near or over a **#BCwildfire**, you're breaking the law and endangering firefighting personnel.

The restricted airspace includes a radius of five nautical miles around the fire and to an altitude of 3,000 feet above ground level. Transport Canada and the BC Wildfire Service explicitly prohibit the use of UAVs or drones of any size near a wildfire.
