## Summary

B.C.'s public libraries are a critical part of vibrant and liveable communities, offering free public services people rely on, connecting people to government services, and supporting lifelong learning and skills development.

The Ministry of Municipal Affairs, through the Public Libraries Branch, distributes annual grants to public libraries, federations, provincial associations, and service providers. The [Library Act](#) provides the mandate for the ministry's role, which is to promote the improvement and extension of public library services. Provincial funding is in addition to support from local governments, who provide the majority of funding to library boards. Funds are distributed to eligible public libraries and federations (as defined by Act), as well as to service partners to support province-wide service delivery and fulfill the strategic goals outlined in [B.C.'s Strategic Plan for Public Library Service](#). The ministry invests in library service through direct grants to B.C.'s 71 public libraries and through provincial programs and resource-sharing initiatives that support the broader library sector. Funding recipients receive grant award letters stating fund use and reporting requirement expectations.

This document provides details on the grant distribution for 2024 which includes both annual contributions and one-time targeted grants.

In addition to the four annual grants, BC public libraries also received \$1.2 million in Enhancement Grant funding. This one-time funding supports local library service enhancements, including helping address shifting demands on services, collections, programs, and spaces. This funding may also be used to respond to local service priorities, making services more accessible and inclusive, and/or increasing climate readiness and resilience when facing future challenges.

In the 2024-25 fiscal year, \$388 thousand has been designated for future allocation to library sector partners and/or federations, to support emerging provincial projects. This is in addition to the advanced operational and initiative-based funding in March 2023.

Sector project grants to library partners/federations will be allocated in support of emerging opportunities later in the 2024-25 fiscal year.

## Annual Library Grants

71 public libraries receive the following annual grants:

- **Per Capita Operating Grant:** a population-based grant to support ongoing public library operations and participation in province-wide initiatives.
- **Resource Sharing Grant:** to support libraries in materials sharing by alleviating the costs involved in running and managing their interlibrary loan service.
- **BC OneCard Grant:** to enable active patrons of any public library in B.C. to use their library card to borrow from other libraries throughout the province.
- **Literacy & Equity Grant:** to support access to lifelong learning and literacy experiences through the expansion of library collections, programs and services.

Funding, although distributed as four grants, may be combined to enable participation in provincial and regional services, and in support of local and regional service delivery. Table 2 below shows the distribution of these annual grants by library.

Details about the 2024 grants:

- The Per Capita Operating Grants are calculated using the 2021 Census population (see Appendix B for details).
- The Resource Sharing Grants are calculated using 2023 interlibrary loan data, at a rate of \$2.24 per item loaned.
- The BC OneCard Grant amounts continue to be held at 2019 levels, meaning no library experiences a reduction in this grant.
- The Literacy & Equity Grants were rounded up to the nearest \$100 in 2023.

## Library Enhancement Grants

The Enhancement Grant supports local library service enhancement, including helping to address shifting demands on services, collections, programs, and spaces. This grant may also be used to respond to local service priorities, making services more accessible and inclusive, and/or increasing climate readiness and resilience when facing future challenges.

## Appendix A: Enhancement Grants Detail

Table 3 shows the allocation of the 2024 Enhancement grants to libraries. Each library is assigned a tier, based on either their service population (2021 Census) or the number of branches in their system, and receives a flat amount based on their tier, plus a calculated amount based on the percentage of the total B.C. library service population residing within their service area. The calculated amount is derived by multiplying the percentage of the total provincial service population by the multiplier in Tables 4 below.

**Table 4: 2024 Enhancement Grants Tiers**

Population Tier	Base Amount	Multiplier Factor	Multiplier
Under 1,000	\$4200	0.1	12000000
1,000-1,999	\$5600	0.25	4800000
2,000-4,999	\$6900	0.5	2400000
5,000-9,999	\$9000	1	1200000
5-7 branches	\$10214.76	1	1200000
10,000-29,999	\$12000	1.25	960000
30,000-39,999	\$18500	2.5	480000
Over 40,000	\$20000	3	400000
8 or more branches	\$23000	5	240000

## Appendix B: Per Capita Operating Grants Detail

The Per Capita Operating Grant uses the same funding framework (rate) as in previous years but has been updated with 2021 Census population figures. Table 5 below shows the rate for each library type and population tier, and Table 6 shows the grant breakdown by service area.

**Table 5: Per Capita Operating Grants Tiers**

Library Type	Service Area Population	Rural/Urban	Per Capita Rate
PLA / Municipal	<12,000	Rural	\$3.20
		Urban	\$3.00
	12,000 - 34,999	Rural	\$2.70
		Urban	\$2.50
	35,000+	Rural	\$2.20
		Urban	\$1.78
Regional	Municipal	Rural	\$2.20
		Urban	\$1.78
	Rural	Rural	\$4.10
		Urban	\$3.90
Integrated	Rural		\$4.10
	Municipal		\$2.20

Urban Regional Districts (RDs), for the purpose of Per Capita Operating Grants, include the Capital (excluding Salt Spring Island and Pender Island), Central Okanagan, Fraser Valley, and Greater Vancouver Regional Districts. All other regional districts are considered Rural RDs.

Some libraries have been assigned “protected” amounts to prevent excessive funding loss due to changes in population or other challenges.
