## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of Richmond Public Library Board

### ***Opinion***

We have audited the financial statements of Richmond Public Library Board (the "Library"), which comprise:

- the statement of financial position as at December 31, 2019;
- the statement of operations for the year then ended;
- the statement of changes in net financial assets for the year then ended;
- the statement of cash flows for the year then ended; and
- notes to the financial statements, including a summary of significant accounting policies

(hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Library as at December 31, 2019, and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Library in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Library's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Library or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Library's financial reporting process.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Library's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Library's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Library to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether these financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Financial Statements

Year ended December 31, 2019

---

### 1. Operations:

The Richmond Public Library Board (the "Library") is responsible for the administration of public libraries in the City of Richmond (the "City"). Funding for the provisions of these services is primarily through an annual contribution from the City. In addition, revenue is received from provincial government grants, library fees, donations and other miscellaneous sources. The Library is a registered charity under provisions of the Income Tax Act (Canada) and is not a taxable entity. The Library receives accounting services from, and operates primarily in facilities provided free of charge by, the City.

### 2. Significant accounting policies:

The accounting policies of the Library conform to Canadian generally accepted accounting principles as prescribed by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada and include the following specific policies:

(a) Budget data:

The budget data presented in these financial statements is based on the 2019 budget approved by the Board of Trustees on September 26, 2018. Note 17 reconciles the approved budget to the budget figures reported in these financial statements.

(b) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenue and expenses during the reporting periods. Significant areas requiring the use of management estimates relate to the determination of accrued sick benefits and useful lives of tangible capital assets. Actual results could differ from those estimates. These estimates are reviewed periodically and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

(c) Deferred revenue:

The Library records the receipt of restricted donations as deferred revenue and recognizes the revenue in the year in which related expenses are incurred.

(d) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Notes to Financial Statements (continued)

Year ended December 31, 2019

## 2. Significant accounting policies (continued):

(e) Tangible capital assets:

Tangible capital assets are recorded at cost, which includes amounts that are directly attributable to acquisition, construction, development, or betterment of the asset. The cost, less residual value, of the tangible capital assets, is amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Rate
Library collections	4 - 20 years
Furniture and fixtures	10 - 20 years
Equipment	5 - 10 years

Amortization is charged over the asset's useful life commencing when the asset is available for use.

(f) Donations of tangible capital assets:

Tangible capital assets received as donations are recorded at their fair value at the date of receipt and also are recorded as revenue.

(g) Functional and object reporting:

The operations of the Library are comprised of a single function, Library operations. As a result, the expenses of the Library are presented by object in the statement of operations.

(h) Employee future benefits:

The Library and its employees make contributions to the Municipal Pension Plan (the "Plan"). These contributions are expensed as incurred.

Sick leave and post-employment benefits are available to the Library's employees. The costs of these benefits are actuarially determined based on service and best estimates of retirement ages and expected future salary and wage increases. The liabilities under these benefits plans are accrued based on projected benefits as the employees render services necessary to earn the future benefits (note 7).

(i) Government transfers:

Restricted transfers from government are deferred and are recognized as revenue in the year in which the related expenditures are incurred or the stipulations in the related agreement are met. Unrestricted transfers are recognized as revenue when received or if the amount to be received can be reasonably assured.

(j) Library subscriptions and databases:

Library subscriptions and databases not owned by the Library or that have useful lives that are less than one operating cycle are recorded as an expense when incurred.

## 12. Investment income:

The Library has endowment funds administered by the Vancouver Foundation and Richmond Community Foundation. Under the terms of the related agreements, the Vancouver Foundation and Richmond Community Foundation will retain, invest, and disburse income on the endowment funds. The Library receives the net income generated from each fund after deduction of administrative costs. The endowment funds are not reflected in these financial statements.

- (a) Richmond Public Library Endowment Fund administered by Vancouver Foundation:

The fund was established in 1994 and the contributed capital in the fund amounts to \$282,900 at December 31, 2019 (2018 - \$282,900). The balance is comprised of donations from Friends of the Library (\$156,000), Vancouver Foundation's matching program (\$75,000), and other donors (\$51,900).

## 13. Library subscriptions and databases:

## 14. Pension plan:

The Library and its employees contribute to the Municipal Pension Plan (a jointly trustee pension plan). The Board of Trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2018, the plan has about 205,000 active members and approximately 101,000 retired members. Active members include approximately 40,000 contributors from local governments.

## 14. Pension plan (continued):

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as at December 31, 2018, indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

The Library paid \$560,054 (2018 - \$560,852) for employer contributions while employees contributed \$497,289 (2018 - \$485,427) to the plan in fiscal 2019.

The next valuation will be as at December 31, 2021, with results available in 2022.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

## 15. Commitments:

The Library has committed to operating lease payments for the Ironwood and Cambie Branch premises, with minimum annual lease payments as follows:

---

2020	\$ 288,532
2021	282,652
2022	285,200
2023	271,452
2024	98,688

---

## 16. Contractual rights:

The Library has a longstanding agreement with InterLINK, entitling them to compensation subject to net circulation services to non-residents. The compensation varies from year to year.

## 17. Budget data:

The budget data presented in these financial statements is based on the 2019 budget approved by the Board of Trustees on September 26, 2018. The table below reconciles the approved budget to the budget figures reported in these financial statements.

	Board Approved Budget	Financial Statement Budget

Less: Amortization of tangible capital assets	-	(1,538,700)
Annual deficit	\$ -	\$ (637,200)

## 18. Economic dependence:

The Library is economically dependent on receiving funding from the City.

## 19. Subsequent event:

Subsequent to December 31, 2019, the COVID-19 outbreak was declared a pandemic by the World Health Organization. At this time, this situation presents uncertainty over the Library's future cash flows, and may have a significant impact on the Library's future operations. Potential impacts on the Library's business could include future decreases in revenue. As the situation is dynamic and the ultimate duration and magnitude of the impact on the economy are not known, an estimate of the financial effect on the Library is not practicable at this time.

The variance between the Schedule of Remuneration and the salaries and benefits expenses reported in the financial statements of the Richmond Public Library are due to various factors including:

- The remuneration schedule is based on actual cash payments made during the fiscal year (including payouts of vacations gratuity, and overtime banks) whereas the financial statement is on an accrual basis;
- The remuneration schedule includes taxable benefits while the financial statements include items such as non-taxable benefits and employer pension contributions.
