Financial Information Act - Statement of Financial Information

Library Name: Surrey Public Library
Fiscal Year Ended: December 31, 2022

MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian generally accepted accounting principles and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for all other schedules of financial information and for ensuring this information is consistent, where appropriate, with the information contained in the financial statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Library Board is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and for approving the financial information included in the Statement of Financial Information.

The external auditors, BDO, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the *Financial Information Act*. Their examination includes a review and evaluation of the Library's system of internal controls and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

Independent Auditor's Report

To the Board of Trustees of the Surrey Public Library

Opinion

We have audited the financial statements of Surrey Public Library (the "Library"), which comprise the Statement of financial position as at December 31, 2022, and the Statements Operations, Changes in Net Financial Assets, and Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Library as at December 31, 2022, and its financial performance and its cash flows or the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Library in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Library's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Library or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Library's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Library's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Library's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Library to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

To be read in conjunction with the Notes and Schedules to the Financial Statements

Year ended December 31, 2022

The Surrey Public Library (“Library”), which is funded and supported primarily by the City of Surrey, was established in 1983 pursuant to the Library Act of British Columbia (Part 2) as a Municipal Public Library. The Library Board, on behalf of the residents and taxpayers of the City of Surrey (“City”), oversees the management and operation of the Surrey Public Library and further serves as a policy making body for the organization. The Library Board is appointed by the City.

The Library is economically dependent on the City to provide certain services on behalf of the Library and to provide sufficient operating grants to cover any expenses incurred directly by the Library.

1. Significant accounting policies

a) Basis of accounting

The financial statements of the Surrey Public Library are prepared by management in accordance with Canadian generally accepted accounting principles as prescribed by the Public Sector Accounting Board (“PSAB”).

b) Budget information

The budget data presented in these Financial Statements was included in the City of Surrey’s 2022 – 2026 Consolidated Financial Plan and was adopted through Bylaw #20484 on December 24, 2021.

c) Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They may have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful lives of the assets as follows:

Books and publications	5 years
Machinery and equipment	10 years

Amortization commences when the asset is available for use.

1. Significant accounting policies (continued)

c) Non-financial assets (continued)

(i) Tangible capital assets (continued)

The cost of electronic resources, including books, magazines, database subscriptions, and other periodicals are expensed when acquired or over the period of benefit.

Land and buildings acquired for Library purposes and funded by the City are recorded in the City's financial statements and are not included in these financial statements. The Library uses the land and buildings at no charge.

Contributed tangible capital assets received are recorded at their estimated fair value at the date of receipt and recorded as revenue.

d) Employee future benefits

The Library and its employees make contributions to the Municipal Pension Plan, a defined benefit multi-employer plan. These contributions are expensed as incurred.

Sick leave and post-employment benefits also accrue to the Library's employees. The costs of these benefits are actuarially determined based on length of service and best estimates of retirement ages, expected future salary and wage increases. The liabilities under these benefit plans are accrued based on projected benefits prorated as the employees render services necessary to earn the future benefits.

Actuarial gains or losses are amortized over the expected average remaining service life of the related employee group.

The liability for event driven benefits, such as disability benefits, is calculated when the event occurs. The expense is recognized in the year the event occurs.

e) Revenue recognition

(i) Revenues are recognized in the period in which the transaction or event occurs that gives rise to the revenues or when the goods or services are delivered. All revenues are recorded on an accrual basis, except when the amounts cannot be determined with a reasonable degree of certainty.

1. Significant accounting policies (continued)

e) Revenue recognition (continued)

(ii) Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Government transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

(iii) The library recognizes fines and fees as revenue upon receipt as collectability is uncertain until that time.

f) Expenses

Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

g) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant areas requiring the use of management estimates relate to the determination of accrued employee future benefits and useful lives of tangible capital assets.

Actual results could differ from these estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

h) Functional reporting

The operations of the Surrey Public Library are comprised of a single function. As a result, the expenses of the Library are presented by object in the statement of operations.

2. Due from the City of Surrey

All cash transactions of the Surrey Public Library are handled by the City of Surrey, including payroll and accounts payable processing. The amount shown as due from City of Surrey represents the net cash balance held by the City of Surrey owed to the Surrey Public Library. No interest is earned or paid on the balance shown as due from City of Surrey.

During the year, certain employees of the City of Surrey performed administrative services for the Library, including legal, human resources, payroll and financial services. The Library was not charged by the City of Surrey for these services for the year ended December 31, 2022 or 2021.

Printing, marketing, risk management and information technology services along with facility and grounds maintenance costs related to the Library of \$688,401 (2021-\$640,865) were charged from the City of Surrey and are shown as expenses in the financial statements.

3. Employee future benefits

The Library provides certain post-employment and sick leave benefits to its employees. These benefits include accumulated non-vested sick leave, post-employment service pay and post-employment top-ups for dental, life insurance and accidental death and dismemberment insurance.

Accrued benefit liability:	<u>2022</u>	<u>2021</u>
Balance, beginning of year	\$ 2,109,963	\$ 2,197,378
Current service cost	73,069	75,503
Interest cost	33,955	29,573
Amortization of net actuarial gain	(111,597)	(105,252)
Benefits paid	(63,019)	(87,239)
Accrued benefit liability, end of year	<u><u>\$ 2,042,371</u></u>	<u><u>\$ 2,109,963</u></u>

An actuarial valuation for these benefits was performed to determine the Library's accrued benefit obligation as at December 31, 2022. The difference between the actuarially determined accrued benefit obligation of \$1,373,993 and the accrued benefit liability of \$2,042,371 as at December 31, 2022 is an unamortized actuarial gain of \$668,378. The actuarial gain is amortized over a period equal to the employees' average remaining service lifetime.

Year ended December 31, 2022

3. Employee future benefits (continued)

Reconciliation of accrued benefit liability to accrued benefit obligation:

	<u>2022</u>	<u>2021</u>
Accrued benefit liability, end of year	\$ 2,042,371	\$ 2,109,963
Unamortized actuarial gain	<u>(668,378)</u>	<u>(813,812)</u>
Accrued benefit obligation, end of year	<u>\$ 1,373,993</u>	<u>\$ 1,296,151</u>

The total expenses (gain) recorded in the financial statements in respect of obligations under these plans amounts to (\$4,573) (2021 - \$176).

Actuarial assumptions used to determine the Library's accrued benefit obligation are as follows:

	<u>2022</u>	<u>2021</u>
Discount rate	4.50%	2.55%
Expected future inflation rate	2.50%	1.80%
Expected average remaining service life (years)	12.00	12.00

4. Deferred Revenue

	<u>2022</u>	<u>2021</u>
Balance, beginning of year	\$ 243,778	\$ 200,885
Amounts received for grants, sponsorships and other	409,168	143,362
Amounts recognized as Provincial and Federal grants revenue	<u>(113,021)</u>	<u>(100,469)</u>
Balance, end of year	<u>\$ 539,925</u>	<u>\$ 243,778</u>

Year ended December 31, 2022

BC One Card	20,186	20,186
Resource Sharing	28,689	28,689
Literacy and Equity	10,615	10,615
Library Technology	-	26,680
Total	<u>\$ 981,542</u>	<u>\$ 1,008,222</u>

7. Accumulated Surplus

	<u>2022</u>	<u>2021</u>
Invested in Tangible Capital Assets	\$ 5,065,003	\$ 4,787,064
Appropriated Surplus	494,615	624,073
Total surplus	<u>\$ 5,559,618</u>	<u>\$ 5,411,137</u>

8. Pension Plan

The Library and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trustee pension plan. The Board of Trustees, representing plan members and employers, is responsible for administering the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits provided are based on a formula. As at December 31, 2021, the Plan has about 227,000 active members and approximately 118,000 retired members. Active members include approximately 42,000 contributors from local governments.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

The most recent valuation for the Plan as at December 31, 2021, indicated a \$3.761 million funding surplus for basic pension benefits on a going concern basis.

8. Pension Plan (continued)

The Library paid \$1,046,000 (2021 - \$1,010,000) for employer contributions while employees contributed \$967,000 (2021 - \$885,000) to the Plan in fiscal 2022.

The next valuation will be as at December 31, 2024, with results available in 2025.

9. Budget Figures

The budget data presented in these financial statements is based on the 2022-2026 Financial Plan of the City of Surrey. A reconciliation of budgeted results to reported results is as follows:

	2022 Budget
Budgeted operating surplus as approved	\$ -
Less: Amortization	(2,305,000)
Add: Budgeted acquisitions of tangible capital assets	2,100,000
Budgeted deficit as presented	\$ (205,000)
