

**Gaming Revenue Granted to Community Organizations - 2009/10 Report (by community)**  
**(Core gaming grants only)**

**Note:**

Negative amounts indicate that a grant was returned. The two main reasons why this occurs are: A) an organization has not used its grant funding within 12 months of receiving it and returns unspent funds; or B) an organization does not notify GPEB of changes to banking information, resulting in a rejected payment. In the latter case, the grant is re-sent once the correct banking information is received.
