

Gaming Grants Paid to Community Organizations - Final 2016/17 Year-End Report (by community) - April 1, 2016 to March 31, 2017

Generated: July 14, 2017

Report Period: April 1, 2016 to March 31, 2017 (Government fiscal year 2016/17)

Description and Notes:

Community organizations may be eligible for government community gaming grants to support their programs and services. Payments for approved grants are made throughout each government fiscal year, and the timing of the payments depends on the grant category / sector.

- Unused grant funds that were returned during the fiscal year are shown at the end of this report.

- Some organizations receive grants in more than one category; therefore the number of unique organizations receiving grant payments is usually less than the number of grants paid.

- B.C. provincial electoral district information is determined by using postal codes with Elections BC data. Electoral district information in this report reflects information that was available at the time the report was generated, but may not be completely accurate due to address changes or postal code re-purposing by Canada Post.
