

**Gaming Grants Paid to Community Organizations - Year-to-Date Report - Fiscal Year 2018/19**

Generated: July 13, 2018

Report Period: April 1, 2018 to July 13, 2018 (Government fiscal year 2018/19)

**Description and Notes:**

The Community Gaming Grants program is delivered by the Community Gaming Grants Branch in the Ministry of Municipal Affairs and Housing. The Community Gaming Grants program includes: Community Gaming Grants, PAC and DPAC grants and Capital Project Grants.

Community Gaming Grants are distributed to eligible not-for-profit organizations that apply for funding to support community based programs.

Payments for approved grants are made throughout each government fiscal year, and the timing of the payments depends on the grant category / sector. Interim reports are reasonable representations of all grants paid up to a certain point in each year, but payment corrections and other factors make them less accurate than the final, year-end report.

Multiculturalism grants were offered and funded by the Ministry of Tourism, Arts and Culture. These grants are not community gaming grants, but are shown in this report because they are processed for payment through the Gaming Online Service.

All public reporting is prepared using payment processing data from the Gaming Online Service by the Gaming Policy and Enforcement Branch.

Please note:

- Some grant payments to organizations may not appear in this report if there were payment errors and corrective adjustments are being made. These payments will appear in later interim reports or the final fiscal year-end report.

- Unused grant funds that were returned during the fiscal year are not shown in interim reports, but will be shown in the final fiscal year-end report.
