

Gaming Grants Paid to Community Organizations - Final 2019/20 Year-End Report (by community) - April 1, 2019 to March 31, 2020

Generated: April 7, 2019

Report Period: April 1, 2019 to March 31, 2020 (Government fiscal year 2019/20)

Description and Notes:

The Community Gaming Grants program is delivered by the Community Gaming Grants Branch in the Ministry of Municipal Affairs and Housing. The Community Gaming Grants program includes; Community Gaming Grants, PAC and DPAC grants and Capital Project Grants.

Community Gaming Grants are distributed to eligible not-for-profit organizations that apply for funding to support community based programs.

Payments for approved grants are made throughout each government fiscal year, and the timing of the payments depends on the grant category / sector.

All public reporting is prepared using payment processing data from the Gaming Online Service by the Gaming Policy and Enforcement Branch in the Ministry of Attorney General.

Please note:

- Unused grant funds that were returned during the fiscal year are shown at the end of this report.
- Some organizations receive grants in more than one category; therefore the number of unique organizations receiving grant payments is usually less than the number of grants paid.
- Questions regarding Community Gaming Grants should be directed to communitygaminggrants@gov.bc.ca
