

Gaming Grants Paid to Community Organizations - 2020-2021 Report (by community) - April 1, 2020 to June 30, 2020

Generated: April 7, 2020

Report Period: April 1, 2020 to June 30, 2020 (Government fiscal year 2020/21)

Description and Notes:

The Community Gaming Grants program is delivered by the Community Gaming Grants Branch in the Ministry of Municipal Affairs and Housing. The Community Gaming Grants program includes; Community Gaming Grants, PAC and DPAC grants and Capital Project Grants.

Community Gaming Grants are distributed to eligible not-for-profit organizations that apply for funding to support community based programs.

Payments for approved grants are made throughout each government fiscal year, and the timing of the payments depends on the grant category / sector. Interim reports are reasonable representations of all grants paid up to a certain point in each year, but payment corrections and other factors make them less accurate than the final, year-end report.

All public reporting is prepared using payment processing data from the Gaming Online Service by the Gaming Policy and Enforcement Branch.

Please note:

- Some grant payments to organizations may not appear in this report if there were payment errors and corrective adjustments are being made. These payments will appear in later interim reports or the final fiscal year-end report.

- Unused grant funds that were returned during the fiscal year are not shown in interim reports, but will be shown in the final fiscal year-end report.

- Questions regarding Community Gaming Grants should be directed to communitygaminggrants@gov.bc.ca
