

Licensed Gaming Revenues Earned by Class A Ticket Raffles - 2017/18

Generated: April 10, 2018

Eligible community organizations may hold licensed gaming events to generate revenue that benefits programs and services they deliver. Class A licensed ticket raffles are those that are expected to generate gross revenue of more than \$20,000. Net revenue is determined from revenue reports submitted after the gaming event has finished. Revenue information submitted after the cutoff date for a given fiscal year is not included in this report.

Registered raffles: anticipated gross revenue is \$250,000 or more. Major raffles: anticipated gross revenue is \$100,000 or more, but less than \$250,000. Minor raffles: anticipated gross revenue is more than \$20,000 and less than \$100,000. Gaming event licences are associated with government fiscal years based on their 'end date'.
