Generated: June 02, 2022

Report Period: April 1, 2021 to March 31, 2022 (Government fiscal year 2021/22)

Description and Notes:

Community organizations may be eligible for government community gaming grants to support their programs and services. Payments for approved grants are made throughout each government fiscal year, and the timing of the payments depends on the grant category / sector.

- Electoral districts are determined from the organization's physical or mailing address postal code. Mappings of postal codes to electoral districts are provided by Elections BC. Errors in determining an organization's electoral district may occur if the postal code is not correct due to data entry errors, Canada Post postal code changes, or outdated addresses.
