

Supporting Document Example: Grant Application – Program Actual Revenue and Expenses and Budgets

This document provides an example program revenue and expense statement (actuals) and program budget. Applicants must submit program actuals for the previous fiscal year and a program budget for the current fiscal year for each program. If your organization is unsure of what to include in the program actuals and program budget, the following example may be used as a guide. An optional fillable form is included on page 2. See section 4.3 of the Community Gaming Grants: Program Grant Guidelines for additional information regarding program financial eligibility and requirements.
