

Addendum to Application – Electronic Raffle Systems

BEFORE YOU START

Eligible organizations are permitted to use Electronic Raffle Systems (ERS) to conduct Class A and Class B Ticket Raffles. This form must be submitted in support of a ticket raffle application to provide information about your planned use of ERS. The Gaming Policy Enforcement Branch (GPEB) will use the information provided to assess applicant eligibility for use of an ERS.

It is recommended the following is reviewed prior to submission:

- Section 12 – ERS, of the Licensed Charitable Gaming Rules (the Rules) and all other licensing requirements, including those outlined in the Rules, relevant conditions, policies, procedures and orders issued by GPEB.

If you require assistance completing this form, please contact Licensed Charitable Gaming at (250) 387-5311 ext. 1 or email Gaming.Licensing@gov.bc.ca

As per section 10 of the Rules, the following Technology Facilitated Gaming Events (Non-ERS) components do not require a completed addendum form:

- Live Streaming, Electronic Fund Transfers, Sales via the Internet, Online Ordering and Scanning and Emailing of Entries.

These components do not require Registration or Certification and are permitted on all classes of licences, however, may be limited by event type.

Table with 2 columns: Permitted Electronic Raffle Systems, System Description. Rows include Online Ticket Sales, Online Ticket Distribution, Electronic Ticket Draw, Online Prize Distribution, and Raffle Sales Unit (RSU).

SECTION 1 – APPLICANT INFORMATION

Form with fields for Organization Name, L&G File Number (if applicable), Date, System Administrator (individual responsible for setting up and operating ERS), Email, and Phone Number.

SECTION 2 – SERVICE PROVIDER INFORMATION

Form with field for Gaming Services Provider Name and a list of services to be selected: Online Ticket Sales, Online Ticket Distribution, Electronic Ticket Draw/ RNG, Online Prize Distribution, Raffle Sales Units, and Other.

Please attach this form and a copy of your registered service provider contract as part of your gaming event application.

This information is collected by the Gaming Policy and Enforcement Branch under section 26(a) of the Freedom of Information and Protection of Privacy Act and under section 34 of the Gaming Control Act and section 18(2) of the Gaming Control Regulation. It will be used to link this Addendum with the appropriate application and assess your eligibility to be approved for the use of computerized electronic systems in the operation of a gaming event subject to you being licensed to operate a gaming event.
