

# NOTICE

## Motorized Access Restriction

Pursuant to section 58 of the Forest and Range Practices Act, the Regional Recreation Manager of the Northern Interior Region has established an order **PROHIBITING the use of ALL motorized vehicles, including snowmobiles**, within the non-motorized portion of the Burnie-Shea Lakes proposed protected area as described in the Morice Land and Resource Management Plan (LRMP).

**This closure is in effect from December 31 to June 30**

Please refer to the adjacent map. (Closure Area shaded grey).  
Thank you for your cooperation.
