

Apply for Limited Entry Hunting – Individual Applications

If you wish to start or join a Group/Shared hunt, please see quick reference guide specific to the application type.

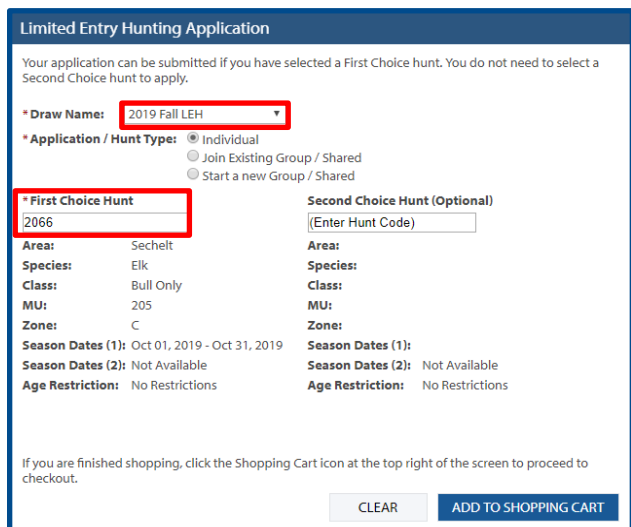

Before you start

Before you apply for Limited Entry Hunting (LEH), make sure you have:

- A Fish and Wildlife ID
- Resident and Hunting credentials on your Fish and Wildlife profile
- Credit card for payment (Fee: \$6.00 plus GST)

Then click on **Apply for LEH** under **LEH Options** on your Fish and Wildlife profile

NOTE: *If you need help signing in to the BC Hunting online service, please refer to the quick reference guide titled “How to access your profile or apply for credentials”*

Step 1 – Individual hunt type – select draw and hunt choices

- If there is only one draw open, the **Draw Name** will automatically populate. If more than one draw is open, you must select the Draw Name from the dropdown list
- LEH Hunts related to the draw will automatically display in the hunts table below
- Select the **Application Type** for an **Individual** application

NOTE: *Hunt codes are available in the LEH Synopsis. If you want to select your hunt codes using the LEH Hunts table, go to Step 2. Otherwise:*

- Type your 4-digit hunt code in the **First Choice Hunt** field
- If you wish, enter your optional **Second Choice Hunt** code
- Click **Add to Shopping Cart** when you have finished selecting your hunts.

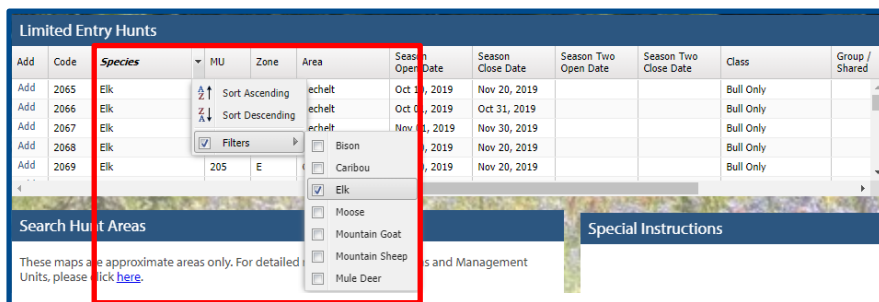

NOTE: *Your First Choice and Second Choice hunts must be for the same species.*

Step 2 – Part 1 – Using the LEH Hunts table

NOTE: This step is optional. You can choose to enter your hunt codes directly into the application form as noted in Step 1.

- All hunts listed in the LEH Hunts table are for the Draw Name displayed in Step 1. The LEH Synopsis provides the same information as listed in this table.
- The LEH Hunts table allows you to filter information in any part of the table. For example, if you wish to see only Elk hunts:
 - Click the down arrow next to Species
 - Move your mouse over “Filters”. A list of species will appear
 - Check the box next to the species you wish to filter on.
 - You can filter on any of the columns in this table using the same method.
