

Compulsory and Voluntary Reporting for Hunters

Required when:	<p>A Compulsory Report (CR) is required to be submitted within 30 days following the kill date when a hunter takes or kills certain species in specified areas. Please refer to the Hunting and Trapping Regulations Synopsis for the most up to date information on CR requirements.</p> <p><i>Note: If you are listed on a Permit to Accompany or were guided by a Guide Outfitter, a Compulsory Report may have been submitted on your behalf. To find a report, see View a Report on page 2 of this guide.</i></p> <p><i>Note: If your kill is not on compulsory reporting requirements, or if you did not take or kill, but you hunted with a hunting or species licence, you can voluntarily submit details of your hunting activity.</i></p>
Who is eligible to submit?	<p>Any person who hunts, takes, or kills an animal can submit a report.</p> <p>This guide describes how to submit a report as a licenced hunter reporting on a hunting licence and/or species licence for the current licence year. A report can be submitted up to 60 days after the end of the licence year. After that time, contact FrontCounter BC for information on how to submit a report.</p>

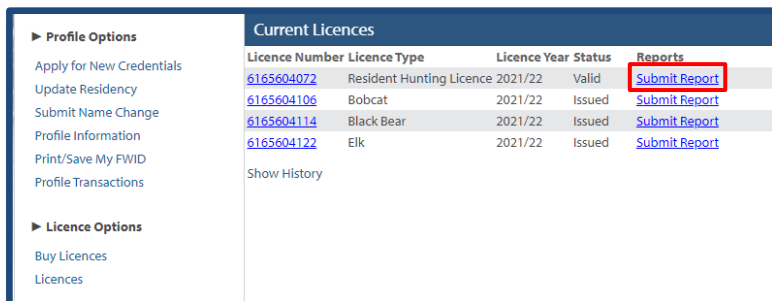

Getting Started

Before you create a report, make sure you have:

- An active Fish and Wildlife ID with verified user status
- A hunting or species licence to report on

Navigate to your current licences by clicking on **Licences** or **Licences – Self** under the **Licence Options** section on the left side of the screen.

Select a licence to report on

- Click the **Submit Report** link for the licence you would like to report on
 - **Hunting Licence:** you can submit multiple reports against this licence any time during the licence year
 - **Species licence:** you can submit a single report against this licence any time during the licence year
