NOTICE TO HUNTERS

- » It is prohibited to intentionally feed or bait ungulates within 200m of a dwelling, school yard, or playground on Haida Gwaii (MUs 6-12 and 6-13).
- » Hunters may encounter locked gates that prevent access to certain areas. Most gates have been erected legally as part of local planning processes. Hunters should check with local government ministries and/or logging companies on gate locations or other restrictions.
- » First Nations wish to urge hunters to use caution and respect when hunting in traditional territories in the Skeena Region. Please watch for local residents and leave your campsites clean.
- » Mule deer hunters are strongly encouraged to submit a front incisor tooth (including the root) and a photograph of the antlers to any Skeena Ministry office, 3726 Alfred Avenue, Smithers (drop off toothplease do not mail).

- » The Nisga'a Government wishes to urge hunters to use caution when hunting in the Nass Valley, because there may be a large number of people picking mushrooms during the hunting season.
- » Access to the Endako Mines and Huckleberry Mines Sites (MU 6-4) is prohibited under the Mines Act and Trespass Act.
- » Check regional maps for No Shooting and No Hunting Areas that might apply in areas they wish to hunt (pages 51-54). Hunters should note closures in the No Shooting and No Hunting Areas section on page 10.
- » The discharge of a firearm is prohibited within 400 m of either side of the road allowance of Granisle Hwy (Hwy 118) between Topley and Granisle (MU 6-8).
- » The hunting of all wildlife is prohibited within 2 km of either side of the Muddy Lake/Golden Bear Access Rd (MUs 6-22 and 6-26).
- » White and blue (Glacier) colour phases of the black bear are closed to hunting. Note that these animals are rarely pure in colour and are usually somewhat dirty. Hunters should pass up any very light-coloured black bear.
- » Hunting, trapping and the discharge of firearms are prohibited on Lucy Island (MU 6-13).
- » The Teslin Tlingit Council (TTC) is requesting the assistance of hunters to ensure that all parts of wildlife harvested within the Teslin Tlingit Traditional Territory in northern BC (MU 6-25) are used. TTC requests that hunters contact TTC Game Guardians (867-390-2532 ext. 377 or 373) to arrange for sharing portions of any wildlife harvest that would otherwise be left in the field (e.g., heads). Game Guardians, are active in the Traditional Territory, educating the public and promoting safe and respectful hunting. TTC encourages BC hunters to contact the Lands and Resources office prior to beginning your trip.
- » The Kaska Nation are requesting the assistance of hunters to ensure that all parts of wildlife harvested within their traditional territories in northern British Columbia (MU 6-23, 6-24, and 6-25) are utilized. The Kaska Nation request that hunters drop off any portions of carcasses they would otherwise leave in the field (e.g., heads) or are willing to share. For further information on culturally sensitive areas, meat sharing, and other initiatives, please find contact info for the Kaska Nation at: www.kaskadenacouncil.com
- » Please avoid shooting collared wildlife (See page 11)

NOTICE TO MOOSE HUNTERS

» There is no open season for moose during the period Sept. 25 to Oct. 10, within 400 m of the shore of and over that portion of Teslin Lake south of the north end of Shaman Lake (also known as Burial Island), and including Shaman Island (MU 6-25). See Map F35.

The move to a billy-only archery season for mountain goat in MU 6-8 reflects high nanny harvest, which is a growing concern for parts of the Skeena Region. More restrictive regulations may be considered for harvesting mountain goats if the high nanny harvest trend continues. Please educate yourself on identifying billies and nannies using the resources provided in this synopsis.

The traditional territories of 34 First Nations have existed for time immemorial in this area prior to the creation of Wildlife Management Units and licensed hunting. Hunters are encouraged to learn about the history and culture of the First Nation(s) and their traditional territories that you'll be hunting on. Please respect the land by leaving your campsites clean and free of garbage and avoid using traditional camp sites and cabins. If you encounter Indigenous land guardians during your travels treat them with respect as they fulfill their duties as stewards of the land and our partners in resource stewardship. <a href="https://www2.gov.bc.ca/gov/content/environment/natural-resource-stewardship/consulting-with-first-nations-negotiations/first-nations-a-z-listing-with-first-nations-negotiations/first-nations-a-z-listing-with-first-nations-negotiations/first-nations-a-z-listing-with-first-nations-negotiations/first-nations-a-z-listing-with-first-nations-negotiations/first-nations-a-z-listing-with-first-nations-negotiations/first-nations-a-z-listing-with-first-nations-negotiations/first-nations-a-z-listing-with-first-nations-negotiations/first-nations-a-z-listing-with-first-nations-negotiations/first-nations-negotiat
