TOTAL - transfer to line 2 of Assessment Calculation			\$

*Note: For "labour only" contracts or contracts where labour is billed separately, Total Contract Fee will equal Net Contractors Earnings.
 For contracts, not involving materials, where supply of labour and equipment are not billed separately, an "equipment allowance" may be deducted from the gross contract value. See reverse for further instructions.

EQUIPMENT ALLOWANCE

For contracts involving the supply of labour and equipment in which the labour is not billed separately from the equipment, an equipment allowance may be deducted from the gross contract value on the revenue producing equipment, as follows:

<u>Allowance</u>	<u>Equipment Type</u>	<u>Examples</u>
40%	Medium Equipment	Single axle motor vehicles <7,000 Kg GVW. Minor excavating equipment, e.g. two-wheel agricultural-type tractors, complete with backhoe attachments and/or front-end loader attachment.
75%	Heavy Equipment	Dual-axle trucks (this means that the truck has 2 drive axles and this category excludes 4-wheel drive vehicles, logging trucks, skidders, bulldozers.)

If claiming an equipment allowance, please provide details below:
