If tax not collected, may be assessed difference between clear and coloured tax	Must collect at clear tax rate. If tax not collected, may be assessed difference between exempt tax rate and clear fuel tax rate	Must collect at clear tax rate. If tax not collected, may be assessed difference between coloured tax fuel rate and clear fuel tax rate	Must collect at clear tax rate. If tax not collected, may be assessed difference between clear diesel tax rate and 3¢ per litre tax rate	Must collect at clear tax rate. If tax not collected, may be assessed difference between clear fuel rate and 3¢ per litre tax rate	Must collect at clear or coloured tax rate.	May be assessed at the clear diesel tax rate

**Notes:**

\*A cardlock includes a terminal and bulk plant

\*\*Heating oil and clear and coloured non-motor fuel oil are not subject to motor fuel tax, but are subject to carbon tax, PST and in some cases the ICE Fund tax. Heating oil is not subject to the PST if it is sold for residential heating purposes. For more information on PST exempt sales of residential energy products, see [Bulletin PST 203](#), Energy and Energy Conservation and the ICE Fund Tax.

**FORMS:**

**FIN 430** - Coloured Fuel Certification (Includes Marine Diesel and Locomotive Fuel)

**FIN 458** - Certificate of Exemption - Farmer

**FIN 480** - Certificate of Exemption – Substances Sold for Use Other than in Internal Combustion Engines
