Fraser Valley Highway 1 Corridor Improvement Program

Nighttime Bradner Road Closures

September 14, 2025 | 7PM to 5AM

September 15-22, 2025 | 9PM to 5AM

September 27, 2025 | 9PM to 5AM

Note: in the event of poor weather, this work may be rescheduled.

As part of the work to widen Highway 1, the section of Bradner Road beneath the highway is anticipated to be closed on the following dates and times:

- September 14 | 7PM to 5AM
- September 15-22 | 9PM to 5AM
- September 27 | 9PM to 5AM

The closure is required to safely demolish the eastbound overpass to allow the construction of a new overpass and accommodate additional lanes on Highway 1.

Detour Information

During the nighttime closures, traffic in both directions on Bradner Road will be directed to Downes Road, which will stay open (see map). Drivers can expect occasional traffic disruptions and single-lane alternating traffic while we complete this work. Please follow traffic control directions and posted speed limits.

Planning for ongoing construction

Additional nighttime closures and daytime single-lane alternating traffic on Bradner Road will be required for the duration of the construction. Notifications will be sent ahead of major closures and residents should follow road signage for updates.

For more information, please call **604-527-2221** or email **hwylfv@gov.bc.ca**. Thank you for your ongoing patience as we work to complete this project.
