

Traffic pattern change - Highway 1 at Mt. Lehman Road

As part of the broader project to widen Highway 1 through the Fraser Valley, drivers travelling on Highway 1 can expect new traffic pattern changes along the corridor.

WHERE	WHEN	WHAT TO EXPECT
 Highway 1 eastbound at the Mt. Lehman Road interchange	As of Saturday November 29th	Eastbound traffic will move to newly constructed lanes in the median for travel under the existing structure

These changes are in addition to ongoing overnight lane closures and are needed for the safe and efficient construction of projects that are part of the Fraser Valley Highway 1 Corridor Improvement Program.

Drivers are reminded to slow down and follow posted signs. Please visit DriveBC.ca for the most current information.

For questions, please email hwylfv@gov.bc.ca or call our information line at **604-527-2221**.
