

Riverside Road Closure

As work progresses to widen Highway 1 through the Fraser Valley, drivers are advised of an upcoming full closure of Riverside Road.

This closure is necessary to allow crews to safely relocate a FortisBC gas line as part of the Highway 11 Interchange Project.

WHERE	WHEN
Riverside Road under Highway 1	As early as Monday, August 17 through Monday, September 7

WHAT TO EXPECT
Riverside Road will be fully closed under Highway 1, with a detour route provided (see map).
For public and worker safety, the work area will be closed to pedestrian access.

Drivers are asked to slow down and allow extra travel time, obey signage and traffic-control personnel, and watch for roadside workers.

Drivers should expect additional lane closures and other traffic pattern changes in the area as work progresses. Notifications will be sent in advance of major impacts.

Please note, construction timelines are subject to change due to weather and other field conditions.

For questions, please email hwy1fv@gov.bc.ca or call our information line at **604-527-2221**.
