**Highway 3 Hartley Creek Bridge #3207
Project Update**

Current activities at the project site are related to annual cleaning and routine highway maintenance and not part of the Bridge Replacement Project.

The Hartley Creek Bridge project team is currently in its final stages of planning and technical analysis.

More information will be shared soon. In the meantime, you can contact the project team at any time through H3.Hartley@gov.bc.ca

Thank you,
Hartley Creek Project Team
